BACKGROUND

Who we are:

Wakefield Reinforcing Services is a wholly owned black company, providing reinforcing services to the Construction, Civil and Engineering Industry. This includes the cut, bend, deliver and installation of steel reinforcing and wire mesh.

Established in 1996, as a Level 1 BBBEE Contributor, we have grown and delivered various projects successfully, on time and within budget, thanks to our highly skilled support team based on various sites and at our Johannesburg-based warehouse.

The Company proudly sports an industry track record, of delivering products and service, of the highest quality. This is largely due to the experience of more than 40 years within the industry and an accumulated knowledge and experience obtained on projects based Locally and Nationally.

As a reputable Company in the steel industry, Wakefield Reinforcing Services adheres to strict quality control standards

Our Mission Statement:

To provide the best quality workmanship and service to all Clients, with dedication and attention to detail no matter the project size.

Our Partners:

We have successfully completed various projects with the following companies:
